GROUND BREAKING CEREMONY
SENIOR ACTIVITY CENTER AND PARKING STRUCTURE
DEC 8, 2011 - COMPTON, CA

WHAT:

Ground Breaking Ceremony for the Senior Activity Center and Parking Structure, Compton CA.

On behalf of the Mayor and the City Council the Compton Community Redevelopment Agency is pleased to announce the **Ground Breaking Ceremony for the Senior Activity Center and Parking Structure** in North Downtown Compton. This ground breaking will mark the beginning of the **\$24 million** dollar public investment in the construction of a Senior Activity Center and Parking Structure slated to be completed in 2013.

The Senior Activity Center will feature a 28,000 square foot building on a 40,000 square foot parcel that will offer numerous amenities such as assembly rooms, family rooms, a kitchen, multiple activity rooms, and more!

The Parking Structure will be adjacent to the Martin Luther King Jr. Transit Center and is based on a park-ounce concept with the purpose of encouraging walking and other alternatives to auto-use. The Parking Structure will provide approximately 330 parking spaces for shared use for the Senior Activity Center and Metro Park-and-Ride.
