Pay off traffic tickets at a reduced price

Dear Friend,

Do you have a suspended license? Are you still making payments on an old traffic ticket?

You may qualify to have your fines lowered and your license restored through the Traffic Ticket/ Infractions Amnesty Program. Starting **October 1**, unpaid tickets may be eligible for a 50% or an 80% discount. Parking tickets, DUIs and reckless driving citations are not eligible under this program.

Don't miss the chance to clear your debt at a reduced price.

To find out if you qualify, visit [my website](#).

Sincerely,

[Mike A. Gipson](#)
