NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COMPTON DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. That the City Council of the City of Compton declares its intention to grant a twenty-five (25) year franchise (August 5, 2016 through August 4, 2041) to Torrance Pipeline Company, LLC to operate, install, maintain, replace, remove and/or repair pipelines and appurtenances for the transportation of oil, hydrocarbon substances, refined petroleum products including cathodic protection facilities necessary or convenient for the Grantee's business situated within the jurisdiction of the City of Compton.

Section 2. That a public hearing regarding the granting of a pipeline franchise to Torrance Pipeline Company, LLC is set for **Tuesday, July 5, 2016 at 5:35 p.m.** in the City Council Chambers at 205 South Willowbrook Avenue, Compton, California.

Section 3. That persons having interest in or any objections to the granting thereof may appear before the City Council and be heard thereon.

Section 4. That it is the intention of said City Council to grant said Torrance Pipeline Company, LLC said franchise for the purpose aforesaid and said franchise to be upon the following terms, provisions and conditions.

Item 1. Nature and Extent of Grant:

The **CITY OF COMPTON** hereinafter also referred to as "**CITY**," herewith grants to **TORRANCE PIPELINE COMPANY, LLC**, its successors and assigns, hereinafter referred to as "**GRANTEE**," subject to the terms and conditions herein contained, the right, privilege and franchise to install, operate, maintain, replace, change the size of, abandon in place, remove and/or repair the existing pipeline for the purpose of transporting refined petroleum products, oil, hydrocarbon substances, together with all appurtenances and service connections necessary or convenient to properly maintain and operate said pipelines, including cathodic protection facilities, necessary or convenient for the Grantee's business, hereinafter collectively called "franchise property". The pipeline is currently located in certain public streets, highways or public property now existing or hereafter dedicated, hereinafter collectively called

“streets”, located in the **CITY**, described in “Exhibit A,” which is attached hereto and incorporated herein.

Item 2. Duration of Franchise:

The franchise shall be effective on August 5, 2016. The term of this franchise shall be for twenty-five (25) years, terminating on July 27, 2041. The **CITY** reserves the right to limit this franchise prior to its expiration in the event:

A. GRANTEE fails to comply with any of the provisions hereof; provided, however, that if such failure to comply shall be due to a cause beyond the control of the **GRANTEE**, the franchise shall not be so terminated; and provided further that this franchise shall not be so terminated unless the **GRANTEE** is given written notice of such noncompliance and fails within ninety (90) days of the date of such notice to commence and thereafter diligently prosecute to completion the corrective action necessary to cure such noncompliance. Notwithstanding the foregoing, if **GRANTEE’S** noncompliance is of such kind or nature as to cause a hazard to the public or endanger the public peace, health safety or general welfare, the **CITY’S** Director of Public Works may so notify the **GRANTEE** and reduce the period during which **GRANTEE** shall commence the work necessary to correct such noncompliance. In the event the **GRANTEE** fails to commence the corrective action

within the time specified, as an alternative to terminating this franchise, the **CITY** may do the corrective work at the **GRANTEE’S** expense.

B. Any provision herein becomes invalid or unenforceable and the **CITY** expressly finds that such provisions constitute a consideration material to the granting of this franchise, then this franchise may be terminated by the **CITY** on ten (10) days written notice.

Item 3. Pipeline Operations:

A. Applicable Rules: The **GRANTEE** agrees to operate, install, maintain, replace and repair the pipelines and appurtenances in a good workmanlike manner, and in conformity with all regulations now or hereafter adopted by the State Fire Marshal.

B. Repairs and Street Excavations:

1. The work of maintaining or repairing all pipelines and appurtenances covered by this franchise shall be conducted with the least possible hindrance to the use of the streets.

2. The **GRANTEE** shall have the right to make all necessary

street excavations for the purpose of exercising the rights granted by this franchise, but nothing herein contained shall relieve the **GRANTEE** from the provisions of any **CITY** ordinance or law that may be in force at the time requiring that permits be obtained for street excavations before such work is commenced.

All excavations shall be made and back-filled in strict compliance with all **CITY** ordinances that may be in effect at the time of the performance of the work and shall be made as not to interfere unreasonably with the free use of the streets by the public.

Upon completion of the work for which street excavations are made, all portions of the streets which have been excavated or otherwise damaged by such excavation work shall be restored to their original condition or equivalent to the satisfaction of the Director of Public Works.

C. Cleanup of Breaks and Leaks: If any portion of any street shall be damaged by reason of breaks or leaks in any pipeline or appurtenance maintained or repaired under this franchise, or if any street, sidewalk, sewer, storm drain, waterline, or other facility be contaminated by any substance transported in said pipelines, the **GRANTEE** shall at its own expense immediately repair or clean up or cause to be repaired or cleaned up, any such damage or contamination and put such street, sidewalk, sewer, storm drain, waterline or other facility in **as** good condition as it was before such break or leak to the satisfaction of the Director of Public Works. Such cleanups shall be accomplished in a timely manner, with as little public disruption as possible. Emergency repairs of franchise property may be commenced without prior permit; provided however, that the **GRANTEE** no later than the next normal working day shall notify by telephone, the Director of Public Works of any such work and shall within the next seven (7) calendar days apply for an excavation permit authorizing such emergency work.

D. Emergency Crews and Equipment: At all times during the term of this franchise, the **GRANTEE** shall maintain, on a twenty-four (24) hour basis, personnel to operate the pipeline system, including monitoring the leak detection system and the communications equipment. In addition, during the term of this

franchise, the **GRANTEE** shall maintain on a twenty-four (24) hour basis, adequate standby equipment and properly trained emergency standby crews, within a radius of twenty-five (25) miles from any facilities maintained pursuant hereto, for the purpose of implementing emergency response, such as, shutting off the pressure and the flow of contents of such facilities, repairs, oil-spill cleanup, preventing or minimizing damage or the threat of any damage to people or the environment in the event of an emergency resulting from an earthquake, act of war, civil disturbance, flood, fire, leakage or other cause whatsoever.

E. Changes Required by Public Improvements: Whenever, during

the existence of this franchise, the **CITY** shall change the grade, width, or location of any street in any manner, including the laying of sewer, storm drain, conduits, gas, water or other pipes owned or operated by the **CITY** or any other public agency, under the jurisdiction of the **CITY**, or construct any pedestrian tunnels, or other work of the **CITY** (the right to do all of which is specifically reserved to the **CITY** without any admission on its part that it would not otherwise have such rights) and such work shall, in the opinion of the Director of Public Works, render necessary any change in the position or location of any facilities of the **GRANTEE** in the street, the **GRANTEE** shall, at its sole cost and expense begin and thereafter diligently perform the necessary work to completion, in conformity with the written notice of the Director of Public Works as provided hereinafter. However, the **CITY** shall not require any relocation or modification which will have the effect of depriving the **GRANTEE** of a continuous and contiguous pipeline right-of-way. Except as provided herein before in this section, when such rearrangement is done for the accommodation of any person, firm or corporation, the cost of such rearrangement shall be borne by the accommodated party. Such accommodated party in advance of such arrangement, shall: (1) deposit with the **GRANTEE** in cash an amount, as in the reasonable discretion of the **GRANTEE** shall be required to pay the costs of such rearrangement; and (2) shall execute an instrument agreeing to indemnify and hold harmless the **GRANTEE** from any and all damages caused by such rearrangement.

Nothing contained in this franchise shall be construed to require the **CITY** to move, alter or relocate any of its facilities upon said streets, at its own expense, for the convenience, accommodation or necessity of any other public utility, person, firm or corporation, or to require the **CITY** or any person, firm or corporation now or hereafter owning a public utility system of any type or nature, to move, alter or relocate any part of its system upon said streets for the convenience, accommodation or necessity of the **GRANTEE**.

The **GRANTEE** shall be given not less than one hundred twenty (120) days written notice of any rearrangement of facilities which the **GRANTEE** is required to make hereunder. Such notice shall specify in reasonable detail the work to be done by the **GRANTEE** and shall specify the time that such work is to be accomplished. In the event that the **CITY** shall change the provisions of any such notice given to the **GRANTEE**, **GRANTEE** shall be given an additional period of not less than ninety (90) days to accomplish work.

F. Abandoned or Removal of Franchise Property: At the expiration, renovation or termination of this franchise or of the permanent discontinuance of the use of its facilities or any portion thereof, the **GRANTEE** shall, within ninety (90) days thereafter, make a written application to the Director of Public Works for authority (as determined by the **GRANTEE**) either: (1) to abandon all, or a portion, of such facilities in place; or (2) to remove all, or a portion of such facilities. Such application shall describe the facilities desired to be abandoned or removed by reference to the map or maps required hereinafter and shall also describe with

reasonable accuracy the relative physical condition of such facilities. The Director of Public Works shall determine whether such abandonment or removal which is thereby proposed may be effected without detriment to the public interest or under what conditions such proposed abandonment or removal may be safely effected. He/She shall then notify the **GRANTEE**, and according to such requirements as shall be specified in the Public Works Director's order, the **GRANTEE** shall, within ninety (90) days thereafter, either:

1. Remove all or a portion of such facilities; or
2. Abandon in place all or a portion of such facilities, as set forth in the Public Director's order.

If any facilities to be abandoned in place, subject to prescribed Conditions, shall not be abandoned in accordance with all such conditions, then the Director of Public Works may take additional appropriate steps, including, if he/she deems desirable, issuance of an order that the **GRANTEE** shall remove all such facilities in accordance with applicable requirements. In the event the **GRANTEE** shall fail to remove any facilities which it is obligated to remove in accordance with such applicable requirements within such time as may be prescribed by the Director of Public Works, then the **CITY** may remove or cause to be removed such facilities at the **GRANTEE'S** expense and the **GRANTEE** shall pay to the **CITY** the actual cost thereof, plus the current rate of overhead being charged by the **CITY** for reimbursable work.

G. Suspension of Operations: If, for any reason, the **GRANTEE** suspends operations of any pipeline contained in the franchise for a period in excess of ninety (90) days, the **GRANTEE** shall notify the Director of Public Works. During this period of suspended operations, the **GRANTEE** shall maintain its normal pipeline surveillance and all cathodic protection systems to insure pipeline integrity. This shall continue until such a time as the line is returned to service or abandoned in accordance with provisions mentioned hereinbefore.

Item 4. Maps and Records:

Within ninety (90) days following the date on which the pipeline has been relocated under this franchise, **GRANTEE** shall file as-built drawings and maps in such form as may be required by the City Engineer, the location, length and size of all of its facilities then in place; and shall, upon installation of any additional facilities, or upon removal, change or abandonment of all or any portion thereof, file revised as-built drawings and maps showing the location, length and size of all such additional, removed or abandoned facilities as of that date.

Item 5. Compensation to the City:

Upon the adoption of this franchise ordinance, the **GRANTEE** shall

pay to the **CITY** annually in advance for the term of this franchise, a base annual fee calculated as follows:

<u>Pipe Internal Diameter</u>	<u>Rate (per lineal foot)</u>
Four (4) inches	\$.229
Six (6) inches	\$.449
Eight (8) inches	\$.742
Twelve (12) inches	\$1.549

Compensation provided for above shall be due and payable on July 1st of each year. Commencing with the first payment due, the base annual fee shall be multiplied by the Consumer Price Index, All Urban Consumers, Los Angeles-Riverside-Orange County, CA, "All Items" prepared by the United States Bureau of Labor Statistics, Department of Labor, for the month of April, and divided by the base index of April 1991, with said index having a value set at 140.70. However, in no event shall any annual Consumer Price Index, All Urban Consumers, Los Angeles-Riverside-Orange County, CA be less than the preceding annual index, and in no event shall the multiplying factor be less than one. If said Bureau discontinues the preparation and publication of the Consumer Price Index, All Urban Consumers, Los Angeles-Riverside-Orange County, CA, "All Items", and if no transposition table prepared by the Department of Labor is available so as to make those statistics which are then available applicable to the Base Index, then the City Council shall prescribe a rate of payment which shall, in its judgment, vary from rates specified in this subsection in approximate proportion as commodity consumer prices, then current. Upon this point, the determination by the City Council shall be final and conclusive. Notwithstanding the provision of this Item 5, the **GRANTEE** shall be liable to pay the **CITY** the annual fee for the period to and including the date of either actual removal of the facilities or the effective date of a properly approved abandonment "in place" authorized by the **CITY**, and until the **GRANTEE** shall have fully complied with all the provisions of the law or ordinances relative to such abandonments.

In the event of partial abandonment of facilities with the approval of the **CITY** as elsewhere herein provided, or in the event of partial removal of such facilities by the **GRANTEE**, the payment otherwise due the **CITY** for occupancy of the streets by such facilities shall be prorated beginning the first day of the next succeeding franchise year; and for each franchise year thereafter, at the prorated amount per each linear foot of pipeline abandoned or removed; provided, however, that the said base rate shall be modified to reflect the Price Index adjustment (as provided hereinbefore) applicable to such abandoned or removed pipeline at the beginning of the next succeeding franchise year following abandonment or removal.

All annual payments shall be paid, without deduction or offset to the office of the City Controller at 205 South Willowbrook Avenue, Compton, California, 90220, or at such place as the **CITY** shall from time to time designate in writing. In the

event any payment required hereunder is late, the following schedule of late charges shall be applicable to that portion which is overdue.

a. Late ten (10) days but under thirty (30) days - 2% of the amount due; plus

b. For each additional thirty (30) days or fraction thereof over thirty (30) days - an additional 2% for each thirty (30) days or fraction thereof; however in no event shall such penalty exceed twenty-five percent (25%).

Item 6. Responsibility:

A. Indemnification: The **GRANTEE**, by the acceptance or use of the franchise hereby granted, agrees to indemnify, defend and hold harmless, to the maximum extent permitted by law, the **CITY**, its elected officials, officers, agents, employees and representatives, from and against any and all liability, suits, actions, proceedings, judgments, claims, losses, liens, damages, injuries (whether in contract or in tort, including personal injury, accidental death or property damage and regardless of whether the allegations are false, fraudulent or groundless), costs and expenses (including reasonable attorney's fees, litigation, arbitration, mediation,

appeal expenses) which in whole or in part arise out of or are connected with, or which are alleged to have arisen out of or to have been connected with, the **GRANTEE's** use of the **CITY** streets hereunder or arising out of any of the operations and/or activities of the **GRANTEE** pursuant to this franchise, excepting any claim, demand or cause of action arising out of the negligent or willful conduct of the **CITY**, its officials, officers, agents and/or employees.

CITY may, in its sole and absolute discretion, select counsel of its choosing to defend against any asserted liability, suit, action, proceeding, judgment, claim, loss, lien, damage, injury, cost or expense which is subject to indemnification obligations set forth herein. **GRANTEE** shall be required to fully reimburse the **CITY** for the legal fees and all related litigation and expert costs of such defense.

B. Insurance: On or before any commencement of any franchise operations, the **GRANTEE** shall obtain, pay for and maintain in full force and effect throughout the term of this franchise, an insurance policy or policies that fully protects the **CITY** from claims and suits for bodily injury and property damage. The insurance shall be issued by an insurance carrier or carriers which is duly authorized and qualified to engage in such insurance business under the laws of the State of California, insuring the **CITY** against any liability for loss resulting from or arising out of any operations and/or activities of the **GRANTEE** pursuant to this franchise. The policy or policies must include a signed endorsement naming the **CITY**, its officials, officers, agents and employees, as additionally insured's; provide that the **GRANTEE's** insurance is primary and that no other insurance available to the **CITY** will be called on to contribute to a loss covered under the policy or policies; provide that **GRANTEE's** insurance applies

separately to each insured or additional insured who is seeking coverage, or against whom a claim is made or suit is brought; and, provide at least thirty (30) days' advance written notice of cancellation, termination or reduction of coverage. The insurance must afford coverage for the **GRANTEE's** use, operation and activities, vehicles, equipment, facility representatives, agents and employees as follows:

2. Workers' Compensation Insurance in compliance with the laws of the State of California and Employer's Liability Insurance in an amount not less than One Million Dollars (\$1,000,000.00) per claimant.

3. Notwithstanding the above, and subject to approval by **CITY**, **GRANTEE** may provide a program of self-insurance. Any self-insurance program maintained by **GRANTEE** shall comply with the provisions and the specified limits contained herein. **GRANTEE** shall provide each year for the duration of the franchise, written notification to the **CITY** of its intent to self-insure.

Such insurance policies shall be maintained by the **GRANTEE** for the life of this franchise, and on the first anniversary of this franchise, and on every one thereafter, **GRANTEE** will provide updated evidence that such insurance is in force. The **CITY** has the right during the terms of this franchise to increase the amount and scope of coverage. The **CITY** covenants that it will not exercise such right in an unreasonable manner.

Item 7. Assignment:

GRANTEE shall not permit any right or privilege granted by the franchise to be exercised by another, nor shall the franchise or any interest therein or any right or privilege hereunder be in whole or in part sold, transferred, leased, assigned, or disposed of except to a corporation acquiring or owning a portion of the assets of the **GRANTEE** without the consent of the **CITY** expressed by ordinance or resolution, as may be required.

Item 8. Faithful Performance Bond:

If said bond is filed prior to the effective date of the ordinance granting the franchise, the award of the franchise may be set aside and the ordinance granting the franchise repealed at any time prior to filing of said bond and any money paid in consideration for said award of the franchise shall be forfeited. In the event that said bond, after it has been so filed, shall at any time during the life of the franchise become insufficient, **GRANTEE** agrees to renew said bond, subject to the approval of the City Attorney within ten (10) days written notice to do so from the Director of Public Works.

Item 9. Acceptance:

This franchise is granted and shall be held and enjoyed only upon the terms and conditions herein contained, and the **GRANTEE** shall, within ten (10) days after the adoption of the ordinance granting said franchise, file with the City Clerk of the City of Compton, a written acceptance of such terms and conditions.

That if any section, subsection, sentence, clause or phrase hereof us for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of the ordinance. The City Council hereby declares that it would have passed this legislation and each section, subsection, sentence, clause and phrase thereof, irrespective of the fact that anyone or more sections, subsections, sentences, clauses or phrased be declared invalid or unconstitutional.
