

ODD – EVEN WATERING DAYS

{The Do's & Don'ts of Watering your Lawn}

NO Lawn, Landscape or other turf area shall be watered more often than every other day.

ALL customers with an even address number shall water on even calendar dates of the month.

ALL customers with an odd address number shall water on odd calendar dates of the month.

On the thirty-first (31st) of the month, there shall be **NO** watering, unless reclaimed water is used.

NO watering shall be done between the hours of 10 O'Clock a.m. and 4 O'clock p.m.; except that the provision shall not apply to commercial nurseries, golf courses and other water –dependent industries.

Failure to comply can result in your water being shut-off and/or a fine up to \$35.00 per incident that will be placed on your water bill.
