Compton City Officials Announce 2020 Road Repairs & City Beautification

City Council Approved Projects for Road Repair, Graffiti Removal, and Illegal Dumping Clean Up as a part of the Clean Compton Initiative

Compton, CA – On Friday, Compton city officials will be announcing infrastructure and beautification projects coming to the City in 2020. These announcements will include upcoming plans for road repairs as well as projects through the Clean Compton Initiative, which was announced in late 2019.

Recently, the Compton City Council approved a measure authorizing approximately \$2.5 Million to be spent on road repair services citywide. This brought the City's total to over \$3.5 Million of funding being committed to road repairs in just 6 months.

What: Compton Press Conference Announcing 2020 Road Repairs & City Beautification

When: Friday, January 17, 2020
10:00am

Where: Intersection of 130th St and Wilmington Avenue
Compton, CA 90221

Who: Honorable Mayor Aja Brown, Honorable Councilmember Michelle Chambers, District 1 representative, and the entire Compton City Council
Compton City Manager Craig Cornwell
Dawn Franks, Compton resident

Media Opportunity: Media can capture footage of the press conference, along with active construction work that will be taking place on 130th Street during press conference. One-on-one interviews with City officials will be available after the press conference.
