Bridging Outstanding Opportunities with Tradeswomen Skills

PRE-APPRENTICESHIP PROGRAM FOR WOMEN CONSIDERING A CAREER IN THE CARPENTRY TRADE

Have you ever been interested in using your creativity and physical abilities to establish a non-traditional career in Carpentry while earning a living wage? The Carpenters Union BOOTS program will help you reach your goal.

This 4-week, daytime pre-apprenticeship program was specifically developed for women to provide the hands-on training needed to succeed in the Carpentry trade. The topics covered in this program will include:

Safety
Math
Tool Identification
Wood/Metal Framing
Concrete Form Building
Job Solicitation Skills

Eligibility Requirements:
- Female and at least 18 years of age
- Reliable Transportation
- Available 6:30 am – 3:00 pm over a 4 week period

Other Information:
- No construction experience needed
- Bring pen, photo ID, resume and social security card or work permit

If this is for you, contact us today!
