As of May 15th, Los Angeles County’s Safer-at-Home order will remain in place over the next few months. The City of Compton’s leadership team is working diligently alongside our community partners to ensure residents have access to essential resources during this uncertain and challenging time. To unify our city's collective efforts, we launched the “Compton United Resource Effort” also known as CURE to connect, coordinate and distribute vital resources through trusted community organizations.

We have also compiled COVID-19 resources for Compton residents online at comptoncity.org/ COVID19. For residents without internet access, we are also airing regular updates on our local Channel 36 and we have mailed a City newsletter to each household which includes resources for COVID-19. Below are some highlights from the Resource Guide for our senior community.

The City is inviting the public to watch the City Council meeting live on Channel 36 or view it online, in lieu of attending in-person. To view online, simply go to the Comptoncity.org website, hover over the elected officials tab, click “agendas, meetings and minutes” in the right column, and then click “live video.” All other public meetings will also be available virtually through a telephonic conference call. You can find the call-in information at the top of each meeting agenda. Residents can send in comments or questions by 4:00 PM on the day of each public meeting by emailing contactcityclerk@comptoncity.org (City Council Meeting), contactpersonnelboard@comptoncity.org (Personnel Board) or contactplanningboard@comptoncity.org (Planning Commission) or by calling (310) 605-6335. If specifically requested, public comments will be read during the meeting and all comments will be entered into the public record.
Senior Meals
Los Angeles County has closed all Senior Congregate Meals Locations to reduce the risk of exposure for the seniors. For questions about the senior meal program, please call (800) 510-2020.

LA County Workforce Development, Aging and Community Services Department also has a free delivery service for older adults by calling (888) 863-7411 between 8:00 am and 5:00 pm, Monday through Friday.

The Compton Chamber of Commerce has developed a food bank program for Compton residents, utilizing Compton Careerlink as the sorting and distribution hub. Drive through pick up is available Thursday through Saturday from 11 am to 4 pm and delivery is available to seniors, people with disabilities, veterans and any person with a need.
