Mayor Aja Brown's Healthy Compton initiative is a community-based comprehensive approach to educating, empowering, and equipping Compton residents to lead healthier lives through the experience of healthy outcomes. Mayor Brown, along with a host of health and wellness partners throughout the City of Compton and surrounding communities are focused on enabling residents to build healthy habits. The Initiative is a result of Mayor's Brown's leadership and a grassroots community effort with local residents, business owners and stakeholders working together over the past two years.
