

HOME IMPROVEMENT LOAN PROGRAM

As a result of high volume of applications received under the Home Improvement Program during this fiscal year, we have reached our funding limit and cannot accept new applications at this time.

Upon receipt of additional funds, the Agency will publicize the Program to the General Public.

Thanks for your continued interest to participate in the Home Improvement Loan Program.

For additional information please contact Lupe Gomez at 310 605-5511.

Sincerely,

DR. KOFI SEFA-BOAKYE
