info@uneearthandempower.org

Program Highlights:

1

Career Exploration Workshops

Discover your strengths, explore various professions, and receive expert guidance on mapping out your future career path.

2

Resume Building & Interview Skills

Enhance your job search success with CYCP, where you'll learn to craft a standout resume and master effective interview techniques.

3

Job Shadowing & Internships

Gain real-world experience and industry insights with CYCP to connect you with professionals and provide hands-on learning opportunities.

4

Interactive Learning Sessions

Engage in our program to deepen your understanding of career-related topics through hands-on activities and dynamic discussions.
